DESCRIPTION

This file contains highly responsive sweepstakes donors to an Autism charity that provides Early Detection Kits to individuals and agencies who work with children. These kits help to identify children at risk for an Autism Spectrum Disorder. It is their mission to reach first responders including day care providers, pediatricians, and early childhood educators. They provide Autism emergency response kits that include risk assessment tools and an educational video, which provides an appropriate format to approach the subject with parents and caregivers.

This file will work for all Sweeps mailers!

Exchange is available.
