DESCRIPTION

Wiland Direct members can apply their models to the Food for the Poor file to reach their ideal target audience. Names are delivered net of the mailer's house file providing incremental names to be applied in the merge.

Food For the Poor works to end the suffering of the destitute in the Caribbean and Latin America. Established in 1982, the organization strives to improve the health, economic, social and spiritual conditions of poverty-stricken families.

Food For The Poor raises funds and provides direct relief assistance to the poor, usually by acquiring specifically requested items and distributing them through churches and charity organizations already operating in the areas of need. In this manner, Food For The Poor serves the poor with dignity and ensures the most efficient and effective use of donor funds.

The ministry reflects God's unconditional love and brings renewed hope to poverty-stricken communities. Food For The Poor serves all people in need, regardless of race, status or creed.

This file will work for all Catholic and religious offers, fundraising appeals, general merchandise, books and other publishing offers, sellers of religious articles, vacation offers and more!
